

Commerce Business Environment (CBE) Enterprise Training Program

DOC Acquisition Council

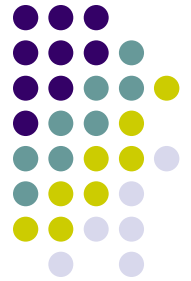

August 24, 2005

Sponsor: Michael S. Sade

Project Manager: Crystal Davis

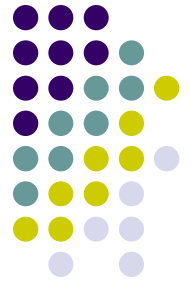

Enterprise Training for CBE

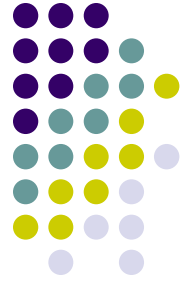

- **BACKGROUND**

- Each bureau has been challenged to fund and/or conduct training for automated business solution tools (i.e. CSTARs, ORSI, FPDS-NG, etc).
- Funding in FY06 and FY07 will focus on planning and supporting CBE training and business process standardization

Training Objectives/Goals

- Develop and define an effective enterprise-wide training program
- Identify and assess enterprise training needs in order to meet organizational goals
- User-centered on how DOC uses the CBE automated business solution tools
- Standardize business processes
- Provide current documentation

CBE Training Program

- NEXT STEPS

- Conduct Focus Group Sessions with Acquisition User Community.
- Develop project plan
- Develop project charter
- Request for Information

- POINTS OF CONTACT

- Crystal Davis, Greg Coss
